

Junior Producer – E-Marketing

An opportunity to join one of Australia's premier e-Marketing communications and digital solution providers. Returnity has been at the forefront of the e-marketing industry for 10 years, providing powerful marketing solutions to some of Australia's blue-chip companies.

This position will suit an all rounder with strong HTML/CSS and JavaScript skills, a creative flair for design, an analytical approach to data and exceptional client service skills. Candidates with experience in an agency environment will enjoy Returnity's fun and fast paced environment.

To be successful in this position you will need to have the following skills and:

- Strong HTML/CSS and JavaScript skills for both web and email marketing
- JSP/JSTL programming skills a plus
- Strong Photoshop skills
- Strong understanding of data and databases
- Any prior experience in coding HTML for email a plus, but not essential
- Analytical approach to online marketing, with a good understanding of Analysis and Strategy
- Ability to work on multiple projects at the same time
- Ability to work under pressure and meet deadlines
- Strong client service skills
- Attention to detail
- Team player

Prior experience in an e-marketing environment and a strong portfolio of digital, web and email template work help set you apart.

If you would like to be considered for the position; please email your application to Matthew in the Melbourne office at matthew@returnity.com.
